Coverage Period: 01/01/2024 - 12/31/2024

Coverage for: Individual + Family | Plan Type: PPO

1/1/The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage including your plan's Summary plan description, visit www.sheetmetalsam.org or call the Administrative Office at 1-800-947-4338. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform or call the Administrative Office at 1-800-947-4338 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	Network Providers per calendar year: \$300/individual; \$900/family. Out-of-Network Providers per calendar year: \$600/individual; \$1,800/family.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. <u>Preventive care</u> performed by <u>network providers</u> , hearing aids, treatment received within 72 hours of an accidental injury, outpatient <u>prescription drugs</u> , dental <u>plan</u> (if elected), and vision <u>plan</u> (if elected) are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No. There are no other specific <u>deductibles</u> .	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	Medical <u>Plan Network Provider</u> : \$3,400/individual; \$6,800/family per calendar year. <u>Out-of-Network Provider</u> : No <u>out-of-pocket limit</u> . Outpatient <u>prescription drugs</u> per calendar year: \$3,200/individual; \$6,400/family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	For the Medical <u>Plan</u> : <u>Premiums</u> , <u>balance-billing</u> charges, health care this <u>plan</u> doesn't cover, penalties for failure to obtain <u>preauthorization</u> , dental & vision <u>plan</u> expenses, outpatient retail/mail order drug expenses (which have a separate <u>out-of-pocket limit</u>), and out-of-network <u>cost sharing</u> except an ER visit in case of an emergency. The outpatient <u>prescription drug out-of-pocket limit</u> does not include <u>premiums</u> , <u>balance-billing</u> charges, medical <u>plan</u> , dental <u>plan</u> , or vision <u>plan</u> expenses, or drugs/health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

Important Questions	Answers	Why This Matters:
Will you pay less if you use a network provider?	Yes. For medical <u>providers</u> , see <u>www.anthem.com</u> or call 1-800-888-8288 for a list of <u>Network Providers</u> . For substance abuse related <u>providers</u> call "Beat It" at 1-800-828-3939.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
