Important: This is not a contract. This is a *summary* of the medical plan options available to you. The group agreements and Plan documents must be consulted to determine the exact terms and conditions of coverage. All benefits are subject to change.

The **Fee-for-Service Plan** - is a comprehensive major medical plan which offers you the flexibility of “choice”. Under this Plan, you may use any doctor or go to any facility you choose, within the United States. If you utilize a provider participating in the Plan’s PPO network, however, your out-of-pocket expenses are greatly reduced. **To avoid additional unexpected out-of-pocket expenses, pre-authorization is highly recommended prior to receiving certain services, as indicated by an asterisk (*). For pre-authorization, please call Anthem Blue Cross at 800-832-7850.**

The **HMO and EPO Plans** (*Health Maintenance Organization / Exclusive Provider Organization*) - provide quality care under a **managed care** environment, within a **defined service area**. When you enroll in an HMO or EPO plan, you must use their medical providers and hospitals for all of your medical care, including prescription drugs. **No benefits are provided if you, or your eligible dependents, use non-contracted providers**, except for certain medical emergencies. There are no claim forms to fill out, and the Fund pays the HMO/EPO directly for your health care needs. Most routine health care services are provided to you for specified co-payment amounts at the time of service, but deductibles and co-insurances apply to others.

Each HMO/EPO has a limited **service area**, which is defined in each enrollment packet. To enroll in an HMO or EPO, you must reside in and have all medical services performed within their defined service area. **If you enroll in an HMO or EPO and have an eligible dependent(s) residing in a separate household which is outside of your selected Plan’s service area (i.e. college students, adult children, or children residing with ex-spouses), there may be no benefits available for that dependent.** In addition, if you travel out of town to work, or plan to do so, **you may have no benefits available** while you are outside of your selected plan’s service area.

Regardless of which medical plan you select, **your Dental, Vision,**

Death Benefits, and Accidental Death & Dismemberment

Benefits will continue to be provided by the Trust Fund.
