Choosing the right medical plan is a very important decision. Once you have elected a medical plan, you may change your election ***only*** during the next Annual Open Enrollment. **Exceptions are made only if you are enrolled in an HMO and you move outside their service area**, so please review this information and choose your medical plan carefully.

The following is a description of the contents of this packet. **To ensure the best coverage available for you and your eligible dependents, please read all of this information very carefully. Then, complete and return the 2 forms indicated with a "✓" to the Administrative Office as soon as possible**. If you have any questions, or are missing any of the listed items, please do not hesitate to contact the Eligibility Department. We are here to assist you!

-- General Information --

Summary Plan Description- (*green booklet*) Please keep this book handy for future reference, as it explains the rules of the Plan, as well as the requirements for maintaining eligibility for Sheet Metal Workers and their eligible dependents under Plan A. The Fee-for-Service medical benefits are also detailed, beginning on page 30.

✓ **Participant Data Form**- (*white form w/ green print*) **Complete and return this form to the Administrative Office with documentation for all dependents** (i.e. marriage certificates, birth certificates). Eligibility for benefits **will not** be verified on dependents without the proper documentation. Please note that **you must also notify the Administrative Office immediately when dependent status changes**. If you do not do so, you may be held responsible for any claims and/or premiums paid on behalf of any ineligible dependents. Please refer to pages 18-22 of the Summary Plan Description for more details regarding eligible dependents.

✓ **New Eligible Reply Form** - (*green form*) **Complete and return this form to the Administrative Office within 10 days of receipt of this packet**. Returning this form **does not** enroll you in an HMO medical plan. If you have requested HMO materials, we will mail you the enrollment packets for the Plan(s) indicated. If, after reviewing the materials, you decide to enroll in an HMO, **you must return a completed HMO enrollment form** to the Administrative Office within 60 days of vour initial eligibility date. You will then receive written confirmation of your HMO effective date.

--Your Medical Benefits –

For the first month of coverage, all eligible participants are automatically covered under the Fee-For-Service PPO medical plan. You have 60 days from your initial eligibility date to elect an HMO, if you so choose. If you enroll in an HMO, the Fee-for-Service PPO medical plan will be continued until your HMO effective date. **After 60 days, you will not have the option to switch medical plans until the next Annual Open Enrollment.**

Summary Comparison of Medical Plan Options - (*green fold-out chart*) shows a brief side-by-side comparison of the medical plans available in the state of Nevada under Plan B. For questions on specific benefits, please call the Customer Service numbers indicated.

Depending on your zip code, you may have a choice of the following 4 medical plan options:

- the Fee-for-Service (Indemnity) self-funded PPO medical plan provided by the Trust,
- an HMO plan provided by Health Net,
- an HMO plan provided by Kaiser Permanente,
- an HMO plan provided by United HealthCare.

About HMOs: When you enroll in an HMO (Health Maintenance Organization) medical plan, you must use that HMO‘s medical providers and hospitals for all of your medical care. No benefits are provided if you use non-contracted, except for certain medical emergencies. Each medical plan also has its own prescription drug program, which must be used.

To receive and review detailed information and a complete enrollment packet(s) on the HMO medical plans, please check the appropriate boxes on the "New Eligible Reply Form". Your benefits under the health plan of your choice will become effective on the first day of the month following receipt of your HMO enrollment form, provided your enrollment form is received within 60 days of your initial eligibility date AND prior to the 15th of the month. If your HMO enrollment form is received within 60 days of your initial eligibility date and after the 15th of the month, there will be an additional full month before your HMO effective date.

The Fee-for-Service PPO Medical Plan is a comprehensive major medical plan which offers the flexibility of seeing doctors outside of a "managed care" environment. Detailed benefit information is located in the Summary Plan Description, beginning on page 30. **All eligible participants are automatically enrolled on the Fee-for-Service PPO Plan for the first month of coverage.** To locate participating PPO doctors and facilities, please visit our website at SMBPAC.org and click on the **Blue Cross of California** icon.

You will automatically receive a medical ID card directly from the Anthem Blue Cross PPO plan. This card will no longer be valid if you enroll in an HMO medical plan.

--Your Prescription Benefits--

Are determined by your medical plan. While enrolled on the Fee-for-Service PPO medical plan, you must use the Express Scripts pharmacy network for all routine and maintenance (mail-order) prescriptions. **You will automatically receive a prescription ID card directly from ExpressScripts. If you enroll in an HMO plan, you must then use that HMO for all your prescription needs, and your ExpressScripts card will no longer be valid.**

--Your Dental Benefits--

DeltaCare USA DMO plan - Under the DeltaCare USA DMO plan, you must pre-select a DeltaCare USA DMO dentist, and have all services performed by that dentist. If you go to a dentist other than the network dentist you have selected, you and/or your dependents **will not** have any dental coverage for those services rendered, except for certain dental emergencies. After your initial selection, you may change your dental office by calling DeltaCare USA Customer Service at (800) 422-4234, or by visiting their website deltadentalins.org. There are no claim forms to fill out and the Fund pays DeltaCare USA directly for your dental care needs. Covered services and supplies are provided for specified co-payments.

Enclosed is a complete DeltaCare USA enrollment packet. Please complete and return the Enrollment Form to the Administrative Office as soon as possible. indicating the dentist of your choice. If you do not return a completed enrollment form, a participating network dentist will automatically be assigned to you, based on your residence on file. You may change your dental office by calling DeltaCare USA Customer Service at (800) 422-4234, or by visiting their website deltadentalins.org.

If you do not reside within 30 miles of a DeltaCare USA network dentist, please contact the Administrative Office immediately.

--Your Vision Benefits--

Blue View Vision - Regardless of which medical plan you choose, your Vision benefits are a separate benefit available under Anthem's Blue View Vision plan. The enclosed flyer explains the benefits that are available. You will automatically receive a vision ID card directly from Anthem Blue View Vision. To utilize your benefits, simply make an appointment with a participating Blue View Vision provider. Your provider will then contact Anthem to verify your eligibility. If you need help in locating a Blue View Vision provider, call (866) 723-0515, or visit their website at anthem.com.

--Your Employee Assistance Benefits—

Beat It! Program - Regardless of which medical plan you choose, you will still have benefits available under the Beat It! Program. If you are enrolled in an HMO, you may choose between the HMO substance abuse benefits, or use them in combination with the Beat It! Program. This pamphlet explains the benefits available under the Beat It! program.

--IMPORTANT--

The following IMPORTANT information is outlined in the enclosed Summary Plan Description (red booklet).
To avoid a lapse or loss of coverage, please review this information carefully !

► There is a **full month between actual hours worked and benefit month**. Therefore, hours worked in the month of January will be applied to coverage for the month of March, hours worked in February will be applied to coverage for the month of April, and so forth. After you have initially established eligibility, 110 hours per month is deducted from your Hour Bank for each month of coverage.

► It is **YOUR responsibility to know how many hours are in your Hour Bank, and when your coverage will terminate**.

► If you are unable to perform your normal Sheet Metal duties **due to an injury or illness**, you **may be eligible for an extension of benefits, of up to 3 months of coverage**. You must contact the Administrative Office and complete the necessary form within 30 days of the date of your injury.

► Moving? **Please be sure to notify the Administrative Office, in writing, immediately**. This will assure that you do not experience a lapse in coverage, and continue to receive all necessary and important information regarding your health coverage.

The Administrative Office confirms, in writing, all HMO medical plan enrollments, all eligible dependent enrollments, and plan effective dates. **If you do not receive a written confirmation after you have submitted a completed HMO enrollment form, or documents to enroll eligible dependents, please contact the Administrative Office.**

If you have any questions, please do not hesitate to contact this office!

Plan B

Includes HMO Plan Options Available in

California

To ensure the best coverage available for you and your eligible dependents, please review this comparison very carefully. **Once you have elected a medical plan, you may change your election only during the next Annual Open Enrollment.** Exceptions are made only if you move outside of your selected plan's service area, so please ***choose carefully***.

All completed enrollment forms received by the 15th of the month are processed for an effective date of the 1st day of following month.

Aviso a los participantes que hablan español: Si tiene alguna pregunta por favor no dude en comunicarse con la Oficina Administrativa al 800-947-4338, donde habrá varios representantes bilingües que con gusto le ayudarán.

Important: This is <u>not</u> a contract. This is a *summary* of the medical plan options available to you. The group agreements and Plan documents must be consulted to determine the exact terms and conditions of coverage. All benefits are subject to change.

The **Fee-for-Service Plan** - is a comprehensive major medical plan which offers you the flexibility of "choice". Under this Plan, you may use any doctor or go to any facility you choose, within the United States. If you utilize a provider participating in the Plan's PPO network, however, your out-of-pocket expenses are greatly reduced. **To avoid additional unexpected out-of-pocket expenses, pre-authorization is highly recommended prior to receiving certain services, as indicated by an asterisk (*). For pre-authorization, please call Anthem Blue Cross at 800-274-7767.**

The **HMO Plans** (*Health Maintenance Organizations)* - provide quality care under a **managed care** environment, within a **defined service area.** When you enroll in an HMO plan, you <u>must</u> use their medical providers and hospitals for all of your medical care, including prescription drugs. **No benefits are provided if you, or *your eligible dependents*, use non-HMO providers or providers of a different HMO**, except for certain medical emergencies. There are no claim forms to fill out, and the Fund pays the HMO directly for your health care needs. Most routine health care services are provided to you for specified co-payment amounts at the time of service, but deductibles and co-insurances apply to others.

Each HMO has a limited **service area**, which is defined in each enrollment packet. To enroll in an HMO, you must reside in and have all medical services performed within their defined service area. **<u>If you enroll in an HMO and have an eligible dependent(s) residing in a separate household which is *outside* of your selected Plan's service area *(i.e. college students, adult children, or children residing with ex-spouses)*, there may be no benefits available for that dependent</u>**. In addition, if you travel out of town to work, or plan to do so, **you may have <u>no</u> benefits available** while you are outside of your selected plan's service area.

* IMPORTANT *

Dependents of participants are eligible for coverage if they meet the rules below and the required documentation of dependent status is submitted to the Administrative Office.

Under the Active Plans, eligible dependents include the participant's:

- ► legal spouse (**former spouses are not eligible after the effective date of the dissolution of marriage or final divorce decree**);
- ► children under 26 years of age;
- ► an unmarried dependent child 26 years of age or older if the child is solely dependent upon the participant for support and is totally prevented from earning a living because of a mental or physical disability. The disabled child must have been disabled while covered under the Plan prior to reaching the limiting age of 26. Alternatively, within the five year period preceding the time the participant began accruing an hour bank leading to the participants' coverage under this Plan, the disabled child must have been disabled while covered under a related multi-employer health plan covering sheet metal workers employed under a collective bargaining agreement with a Sheet Metal Workers International Association local union, prior to reaching the limiting age of 26. The disability must be certified by a Physician and such certification must be submitted to the Administrative Office annually.

Children include the participant's natural child, legally adopted child, child "placed for adoption" if under 18 years old, or any other child for whom, by a Court Order of Legal Guardianship, or Qualified Medical Child Support Order (QMCSO), the participant is legally responsible for the child's health care expenses. Refer to the "Definitions" section of your Plan booklet for a description of a QMCSO. A child is "placed for adoption" (as stated above) with you on the date you first become legally obligated to provide full or partial support of the child whom you plan to adopt.

Newly acquired eligible dependents must be enrolled within 31 days from the date dependency status is met. Otherwise, the dependent's coverage effective date may be delayed until the first of the month following the date the Administrative Office received the required documentation.

You must IMMEDIATELY notify the Administrative Office, in writing, when dependent status changes occur. This includes final dissolution of marriage, death, and any other events which would make your dependent not eligible for further coverage. **If claims and/or premiums are paid for any dependent spouse or child and it is later found that the dependent was not eligible, you and/or the dependent are responsible for reimbursing the Plan for any benefits and/or premiums paid, plus interest, and any costs and attorney's fees if a lawsuit must be filed to recover any benefits overpaid.**

Dependents who no longer meet the rules of the Plan may be entitled to continue coverage on a self-pay basis, in accordance with the rules and regulations of COBRA. Please refer to the Summary Plan Description for complete details.

Copies of the following documentation MUST be included with this Form in order to add / delete dependents:

Spouse - a copy of your Marriage Certificate **Ex-spouse -** a copy of your divorce decree

Children - a copy of their Birth Certificate and/or Court Orders. For newborns, please submit a copy of the hospital's *Verification* or *Certification of Birth* as soon as possible.

Enclosed are copies of all necessary documents. I hereby certify that the foregoing statements, including any accompanying statements and documents are true, correct, and complete to the best of my knowledge. I understand that incomplete Data Forms will be returned to me, and eligibility for benefits on dependents will not be verified until the proper documents are received in the Administrative Office. I also understand that I must immediately notify the Administrative Office, in writing, when dependent status changes occur.

Designation of Beneficiary for Pre-Retirement Death Benefits – for Active (Non-Retired) Plan Participants

If you die before retirement, earned sufficient Pension Credit to be eligible for pension benefits, and are married at the time of death, your surviving spouse will receive 50% Survivor Annuity benefits for his or her lifetime after your death (provided you were married at least one year at the time of your death). If there are no remaining beneficiaries, benefits will cease.

Under Plan rules effective January 1, 2015, pre-retirement death benefits are not payable if the deceased participant is married at the time of death and his or her surviving spouse is eligible for 50% Survivor Annuity benefits, or if the deceased participant is an "**inactive vested**" participant at the time of death, or if the deceased participant worked in "**non-covered sheet metal service**" during the year of death or either of the two preceding years.

Elevate Your Smile

8 ways to make the most of your dental plan

1 Visit your DeltaCare USA dentist. You must visit your selected DeltaCare USA primary care dentist to receive benefits under your plan.[1] Find or change your dentist[2] at **deltadentalins.com** or by calling Customer Service.

- You don't need a dental plan ID card when you visit the dentist. Simply provide your name, birth date and enrollee ID or social security number. If your family members are covered under your plan, they will need to provide your information.
- There are no claims forms to complete — just pay your copayment, if any, at the time of treatment.[3]
- If you require treatment from a specialist, your primary care dentist will coordinate a referral for you.[4]

2 Seek preventive care. Regular exams and cleanings are available at low or no cost. These services help catch problems before they require costly and extensive treatment.

3 Set up an online account. Get information about your plan anytime, anywhere by signing up for an Online Services account. This free service lets you find a network dentist, view or print your ID card and more. The one-time registration process takes only a minute.

[1] In WY, you do not need to select a primary care dentist, but you must visit a DeltaCare USA dentist to receive benefits. In the following states, you can maximize your savings when you visit a DeltaCare USA dentist, although you may visit any licensed dentist and receive out-of-network coverage: AK, CT, LA, ME, MS, MT, NC, ND, NH, OK, SD, VT. Refer to your plan booklet for details about your out-of-network benefits.

[2] Changes received by the 21st of the month will be effective the first day of the following month. Verify that the dentist is your selected DeltaCare USA primary care dentist before each appointment. In the following states, you can change your dentist any time without contacting Delta Dental: AK, CT, LA, ME, MS, MT, NC, ND, NH, OK, SD, VT, WY.

[3] You may have to complete a claim form if you visit an out-of-network dentist, such as for limited emergency treatment or in the following states: AK, CT, LA, ME, MS, MT, NC, ND, NH, OK, SD, VT.

[4] Most services not performed by your primary care dentist must be authorized by Delta Dental. In some states, specialty care benefits are only available for services performed by a DeltaCare USA specialist. Refer to your plan booklet for more information.

4 **Get to know your plan.**
Many DeltaCare USA plans have no exclusions for pre-existing conditions, including missing teeth.[5] Read your plan booklet for a complete list of covered procedures, copayments, plan limitations and exclusions.

5 **Coordinate benefits.**
Are you covered under a second dental plan? Ask your dentist to include information about both plans with your claim, and we'll handle the rest.[5]

6 **Complete in-progress orthodontic care.**
If you began orthodontic treatment under a previous employer-sponsored plan, you may be covered for continuing treatment with your current orthodontist. The copayments and fees of your previous plan would apply.[5]

7 **Talk to your dentist.**
From pregnancy to diabetes, overall health can affect your dental health. Start each visit with a quick chat about any issues.

8 **Stay informed.**
Get oral health tools and tips at our SmileWay® Wellness site (**mysmileway.com**). Don't forget to subscribe to *Grin!*, our free dental wellness e-magazine.
